## SCDC Meeting

Monday, June 12, 2023, 10:00 am

- a. 2-3 Faculty seats for Elsevier table team
- b. Discussion regarding the dealbreakers and points of emphasis of negotiation.
2. Open access initiatives
  - a. Discuss different approaches and business models.
  - b. When does it make sense to coordinate consortially or prefer individual participation. Are there tangible benefits to the consortia?
  - c. Examples include Reveal Digital, Path to Open (JSTOR), DOAJ, Subscribe to Open, LYRISIS Open Access Community Investment Program (OACIP), etc.
  - d. Status of DOAJ renewals through Alliance: resetting the offer with new pricing.  
Beth will send an email out to the group with available details.
  - e. Institution review of OA mandates or trends
3. Review of journal package and major eBook deals for calendar year-end
4. Questions for Beth/Laura on fiscal year-end wrap-ups – please send asap!
